

## Privacy statement

The contents of our pages have been prepared with the utmost care. However, we cannot guarantee the accuracy, completeness and topicality of the contents. As a service provider, we are responsible for our own content on these pages according to § 7 Abs. 1 TMG (German Telemedia Act) according to the general laws. According to §§ 8 to 10 TMG, however, we are not obliged as a service provider to monitor transmitted or stored third-party information or to investigate circumstances that indicate illegal activity. Obligations to remove or block the use of information in accordance with general laws remain unaffected by this. However, liability in this regard is only possible from the time of knowledge of a concrete infringement. If we become aware of any such violations of the law, we will remove these contents immediately.

## Liability for Links

Our offer contains links to external websites of third parties, on whose contents we have no influence. Therefore, we cannot assume any liability for these external contents. The respective provider or operator of the pages is always responsible for the contents of the linked pages. The linked pages were checked for possible legal infringements at the time of linking. Illegal contents were not recognizable at the time of linking. However, it is unreasonable to expect a permanent control of the contents of the linked pages without concrete evidence of a violation of the law. If we become aware of any legal infringements, we will remove such links immediately.

## Copyright

The contents and works on these pages created by the site operator are subject to German copyright law. The duplication, processing, distribution and any kind of exploitation outside the limits of copyright law require the written consent of the respective author or creator. Downloads and copies of these pages are only permitted for private, non-commercial use. Insofar as the content on this site has not been created by the operator, the copyrights of third parties are respected. In particular, third party contents are marked as such. Should you nevertheless become aware of a copyright infringement, please inform us accordingly. If we become aware of any infringements of the law, we will remove such contents immediately.

## Protection of privacy

The use of our website is generally possible without providing personal data. Insofar as personal data (e. g. name, address or e-mail addresses) are collected on our pages, this is always done, as far as possible, on a voluntary basis. This data will not be passed on to third parties without your express consent, and we would like to point out that data transmission on the Internet (e. g. when communicating by e-mail) may be subject to security gaps. A complete protection of data against access by third parties is not possible. The use of contact data published within the scope of the imprint obligation by third parties for the purpose of sending unsolicited advertising and information material is hereby expressly prohibited. The operators of the pages expressly reserve the right to take legal action in case of unsolicited sending of advertising information, such as spam mails.
